TODAY'S TOPIC:
JUSTIFIED BY FAITH

JUSTIFICATION – Do you know what that means?

The word *justify* appears many times in the book of Romans. In Romans 5:1 Paul wrote, “Therefore, since we have been declared righteous [justified] by faith, we have peace with God through our Lord Jesus Christ.”

Justification means that God has declared us right with Him. Being justified through faith in Jesus Christ not only means our sins are forgiven but we also receive the perfect righteousness of Christ.

It is important to remember that our righteousness is not a result of being perfect and following all the rules God has. We are not right with God because of anything we have done. It is all from what God has done by sending his Son, Jesus, to take the punishment for sin from us by dying on the cross.
