## Summer Memory Verse Challenge

Each week this summer, there will be a different Bible verse. Can you memorize them all?

**Seek good, and not evil, that you may live;  
and so the Lord, the God of hosts, will be  
with you, as you have said.**

**Amos 5:14**

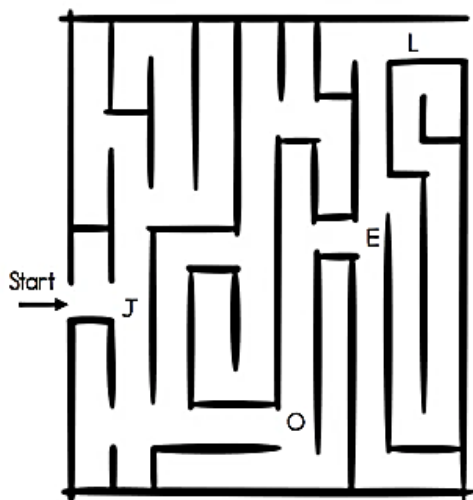

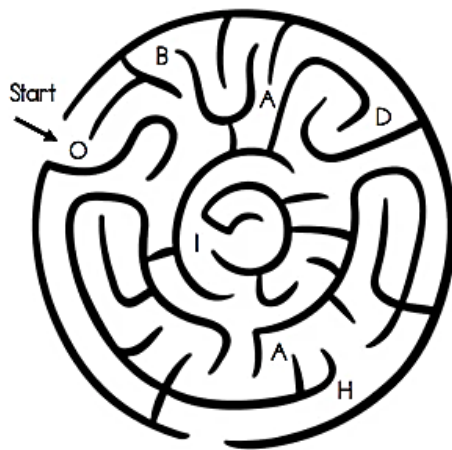

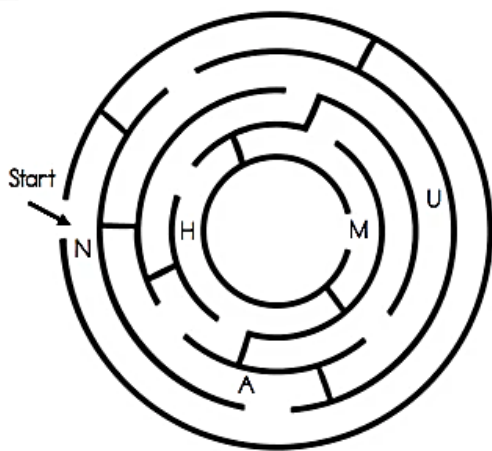

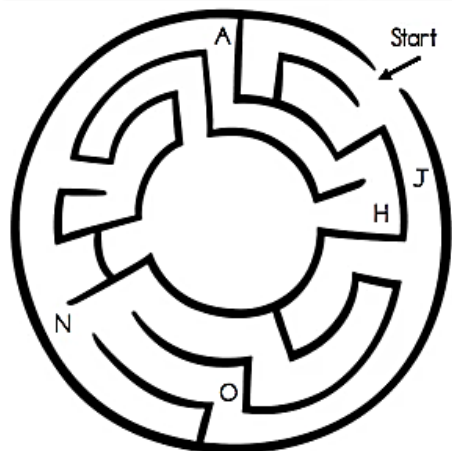

The prophet Amos was a shepherd and fig farmer. God called him to speak to the people in the northern kingdom of Israel. These people had fallen to sin, becoming greedy, worshipping idols, following bad leaders, and causing much injustice to the poor. Amos warned the people of God's judgement but they ignored his warning. After many years, God judged Israel. But, the promise of restoration was also given to the people. Amos shared about God's grace and forgiveness for anyone who would repent.
