Application Questions - These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.

1. Read Malachi 1:2. What were the people questioning about God? Why might a person question God about this today? Do you share this feeling?

2. What were the people doing in Malachi 1:6-8 and why was it wrong? What would the same offenses to God look like today?

3. In Malachi 2:10-16 Malachi tells the people they've been unfaithful to their covenant with God. In what way? (2:11, 14-16)

What would be an example of living in a way that is unfaithful to the covenant of grace today?

4. How was God being wearied in Malachi 2:17? Do you see any of this today? Might a Christian fall into this?

5. What issue did God have with His people in Malachi 3:7. What example did God give them of this (3:8-9) and challenge instead (3:10-11)?

6. What is God's frustration with His people in Malachi 3:13-15?

7. What does God assure His people He will remember? When and in what way will that be?

What purpose would God have in telling His people this?
