Do you know what GPS is? You have probably seen your grown up use it when going some place new or on a road trip. It helps them find their way to get to where they want to go.

Our church has a new vision statement, GPS. This isn't the same as what we use on road trips but it can help us follow God's plan in scripture so that we can be with Him.

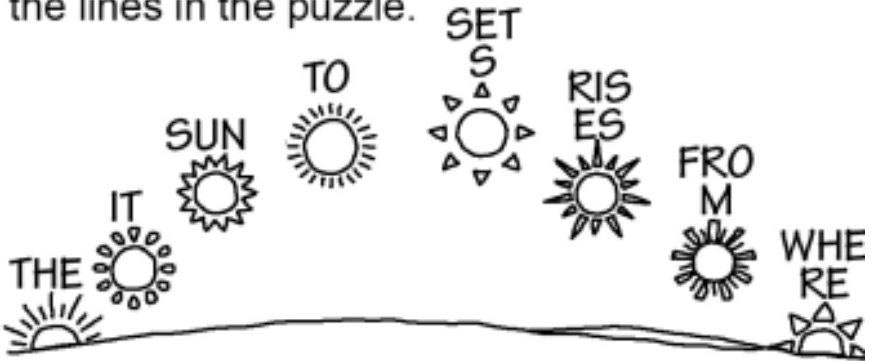

**At Monroe Bible Church,  
GPS stands for GROW, PRAISE, and SERVE.**

This week we are going to focus on the first part of the vision statement, **PRAISE**. Specifically, we will look at how God is worthy of praise all the time and everywhere we are.

# **Praising God** Psalm 113:1-3

To see what the Psalmist said about how long we should praise God, match the sun shapes to ones in the puzzle. Next copy the letters to the lines in the puzzle.

Praise the Lord, you his servants;  
praise the name of the Lord.  
Let the name of the Lord be praised,  
both now and forevermore.

I Will Praise God!
