Application Questions - These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.

1. Read Psalm 96:1-13. What words are used for ways to worship and for reasons to worship? (Write the references by the words)

Which way and which reason resonate most to you?

Take a few moments to worship the Lord for that reason and in that way.

2. Who is told to worship, where, and when? (In which verses?)

When, where, and how often do you worship?

3. Read John 4:23-24. What did Jesus say is necessary for true worship? Explain what this means.

Describe what goes on for you internally and externally when you worship.

4. Read Romans 12:1. What did Paul say worship is?

Is this part of your daily experience? What helps and what hinders?
