## Worship: More than Sunday Morning?

### I. A Definition (Ps 96:1-13)

Worship is a reverent response to an awareness of God's presence that acknowledges His greatness.

Worship should be by everyone, everywhere, and all the time.

### II. An Application (John 4:23-24; Romans 12:1)

True worship brings an accurate internal awareness together with an appropriate external response to God.

Begin by presenting yourself!

1. Read Psalm 96:1-13. What words are used for ways to worship and for reasons to worship? (Write the references by the words)

Which way and which reason resonate most to you?

Take a few moments to worship the Lord for that reason and in that way.

2. Who is told to worship, where, and when? (In which verses?)

When, where, and how often do you worship?

3. Read John 4:23-24. What did Jesus say is necessary for true worship? Explain what this means.

Describe what goes on for you internally and externally when you worship.

4. Read Romans 12:1. What did Paul say worship is?

Is this part of your daily experience? What helps and what hinders?
