Do you know what GPS is? You have probably seen your grown up use it when going some place new or on a road trip. It helps them find their way to get to where they want to go.

Our church has a new vision statement, GPS. This isn't the same as what we use on road trips but it can help us follow God's plan in scripture so that we can be with Him.

**At Monroe Bible Church,  
GPS stands for GROW, PRAISE, and SERVE.**

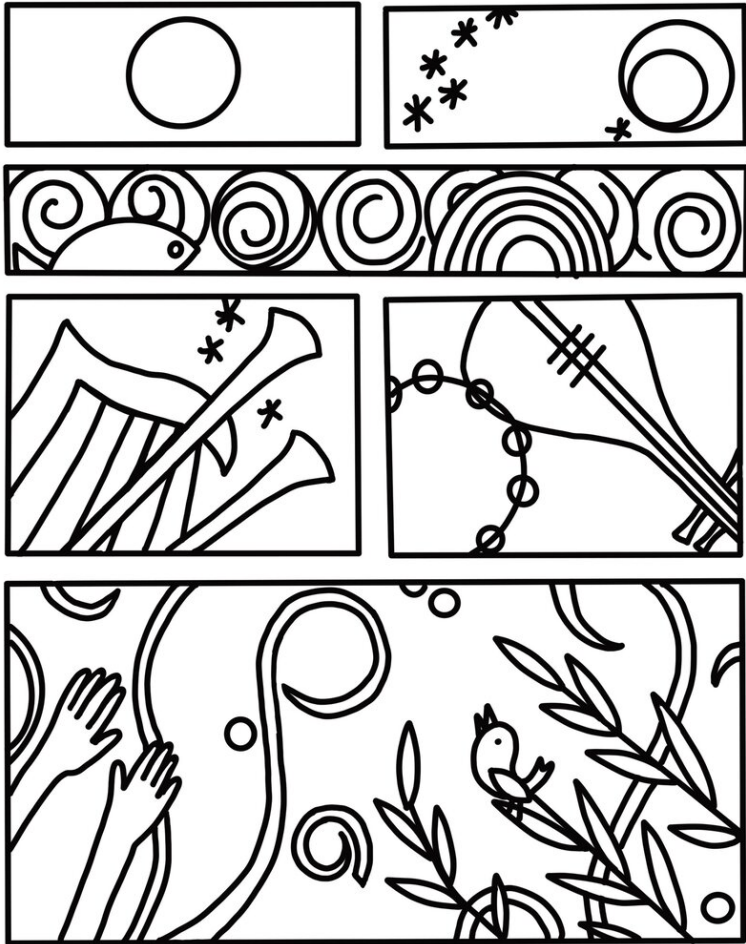

This week we are going to focus on the second part of the vision statement, **PRAISE**. Specifically, we will look at praising God together.

Find each of the underlined words from Psalm 150 in the word search below:

“Praise the LORD...Praise him with the sounding of the trumpet, praise him with the harp and lyre, praise him with tambourine and dancing, praise him with the strings and flute, praise him with the clash of cymbals, praise him with resounding cymbals. Let everything that has breath praise the LORD.”
