## SONG OF THANKSGIVING

Psalm 107:1

Oh give thanks to the Lord, for he is good,  
for his steadfast love endures forever!

Psalm 107 shows God's mercy and love as He saves those who love Him from sin and evil. Despite the reasons for the situations these people found themselves in need, God loves them all, and He alone is powerful enough to help them.

We should always give thanks to God. Sometimes life doesn't seem all that great, and we may find it difficult to find something for which to be thankful, but there is always something. Every day is a new opportunity to see God working in our lives. Every day is an opportunity to witness God's power and experience His magnificent creation. If we look, we can find so many things to be thankful for, even in the darkest, most difficult times of our lives

## REMEMBER!!

God blesses us giving us good times and saves us when we're going through bad times. We need to be thankful to God at all times.
