Application Questions - These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.

1. Read Titus 2:11. How would you define salvation (as briefly as possible) to someone who has never been in church?

How would you define God's grace in its relation to salvation?

2. Read Titus 2:12. What 2 lifestyles does God's grace in salvation "instruct" us to deny? How would you define each?

What 3 ways does this grace instruct us to live? How would you define these in a short phrase?

If, or when, you are not living like this, what might be the reason?

3. Titus 2:13 gives another lifestyle God's grace in salvation should draw out. What is it?

Is this part of your lifestyle? How often? What does it look like?

4. Titus 2:14 tells us the purpose of Jesus' sacrifice was more than to provide the way to heaven for us. It was to make us His \_\_\_\_\_.

In that, what change in our relation to deeds/works did Jesus provide?

What outcome is His desire, and what motivation would there be?

5. Read Titus 2:15. Paul gives Titus instructions with some strong words! If you were in Titus's shoes, how would you exercise your authority, keeping in mind God's grace?

6. Write out a short prayer in response to what you've learned in this passage.
