Application Questions – *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Growth Group for even more benefit.*

1. The Claim

- Jesus is explicitly and unmistakably claiming to be

Israel's Messiah.

2. The Choice

- Jesus Forces us to make a choice:

Crown Him or Kill Him.

3. The Catastrophe

- No one Crowns Jesus over Every part of their

Life.

4. The Coronation

- Jesus Crowns Himself King of our life by

Dying in our Place.

1. Of the four groups of people mentioned in this account (The large crowd, the disciples, the people and the Pharisees), which do you most-closely relate to today? Why?

2. The sermon argued that Jesus won't allow us to simply see Him as a good teacher or example. What would you say to someone who says He is nothing more than that?

3. When talking to non-believers, it can often be difficult to help them see that they need to be saved. How do you gently and lovingly help someone see that they need a Savior?

4. What area of your life are you finding hardest to surrender control to God?

5. When we know that Jesus is the King who died in our place, we will inevitably want to Grow, Praise and Serve Him. Which of these is the Lord most pressing on your heart to do today?
